Westbrook Institute of Technology
Hostel Policy

This policy applies to all students staying in the Institute hostels. Hostel accommodation is a facility, not a right, and may be withdrawn for serious violations of this policy.

Room allotment

First-year students are given shared rooms with three students per room. Second-year students and above may apply for double rooms, which are allotted based on CGPA. Room change requests are accepted only during the first two weeks of each semester.

Hostel office

The Chief Warden manages the hostels. Each hostel block has a resident warden who handles daily matters such as leave, maintenance requests and complaints.

Hostel Timings and Night Out

In-time

All hostel students must be inside the hostel by 9:30 PM every day. Students returning after 9:30 PM must sign the late entry register at the hostel gate.

If a student has 3 late entries in one month, the warden will inform the student's parents. More than 5 late entries in a month will lead to a disciplinary hearing.

Night out and home visits

Students who want to stay outside the hostel overnight must get approval from the resident warden at least 24 hours in advance through the hostel portal. For home visits during weekends, the parent must confirm the leave by phone or email.

Hostel Fees and Refunds

The hostel fee is Rs. 65,000 per academic year. This includes accommodation, electricity, water and mess charges.

Payment schedule

The fee is paid in two equal instalments: the first instalment by 15 July and the second instalment by 15 January. A late fee of Rs. 100 per day is charged after the due date.

Refunds

Students who vacate the hostel within the first month of the academic year receive a refund of 50% of the instalment paid. No refund is given after the first month. The caution deposit of Rs. 5,000 is refunded at the end of the programme after deducting any damages.
